Points of Interest

- **Week of Prayer:** This coming week will be our first week of prayer this school year. We are looking forward to “*Jesus and My Story*” featuring students from PSAA. Please keep our students and speakers in your prayers as well this upcoming week.
- **Picture Orders:** Go to <https://vbokov.jalbum.net> to view your child’s photos. The website is password protected, you will need to click on the album and enter password: **pictures2021**. You will then select the picture you would like printed. Email Mr. Bokov: pictures@psaa.org Include your child’s name, grade, and indicate the photo number file from the bottom of the picture you wish to have printed.
- **Volunteers** – Parents or guardians that wish to volunteer must undergo background screening prior to the scheduled event. Background screening information is available at our front desk. It takes approximately one month for verification. In addition, all volunteers have been mandated by the state of Washington to provide one of the following: proof of vaccination, physician signed medical exemption to exclude them from vaccination, or a religion exemption to exclude them from vaccination. PSAA is required to have these forms on file for all employees and volunteers.
- **Distance Learning** – Please allow our teaching staff 24 hours to transition your student to distance learning. Distance learning is for students who are quarantining due to symptoms consistent with COVID-19, exposure to a confirmed case of COVID-19, or families that have medically compromised family members. Distance learning is not to be used for vacations.
- **Prearranged Absence** – Please let your teacher know in advance if your student will be missing time due to family event (wedding, funeral, vacation, etc.). We ask for a 3-day advance notice. This will allow teachers to gather any work and supplies to send home to help keep your student up to date with their school work. We understand that emergencies arise and will work with families during times of crisis.

- **COVID/Illness Update:** We desire to keep our in-person option this school year, but understand that one exposure can immediately transition us into quarantine/distance learning. Please continue to monitor your student's health daily and keep them home if they exhibit any symptoms consistent with COVID. Also, for the health and welfare of our student body, please keep your student home if they have the common cold/flu even if they have a negative COVID test until their symptoms are resolving (improving to be able to function in a classroom). Thank you for your partnership as we endeavor to create a safe environment for your children to learn. If you have any questions with a potential illness, please do not hesitate to reach out to us. Our front office number is [425-822-7554](tel:425-822-7554).
